PUBLIC NOTICE: SUMMER DAY CAMPS CANCELLED FOR 2024

As many of you are aware, the Roof of the Community Centre has had many leaks over the last few years, and has been the subject of replacement talks.

The Community Association, along with the City of Calgary have been working with a team of consultants to arrange, plan and fund a full replacement of the Centres Roof.

Confirmation of the final piece of funding has been received, and construction is set to begin in late June.

Unfortunately, this means that the building will not be able to be fully occupied for the summer, as construction moves from one end of the building to the other. This means that the Centre will not be able to hold Summer Day Camps for the 2024 season.

This piece of the puzzle has been especially disappointing for our staff as we share this news and we empathize with all of the Summer Day Camp families, staff and volunteers that we will be unable to host this year.

We do not have any additional information at this time, but should you have any questions, please reach out via email, and we'll do our best to find you an answer.

Thank you for your support and we hope that you will join us again in 2025. Please ensure that you sign up for the Day Camp Newsletter through the link on our website (www.midsun.org/daycamps) to get the most up to date news on next years offerings!

With gratitude,
Sharmaleigh Luft, General Manager
Mid-Sun Community Centre
