

MID-SUN COMMUNITY CENTRE

SUMMER DAY CAMPS

CAMP GUIDE 2025

SUNSATIONS

Sunsations camps are designed to engage your child in a variety of fun summertime activities!

These camps are split into 4 groups of about 25 children, based on age, with 2 to 3 leaders.

Monday to Wednesday, your camper will participate in different activities each day such as cooking kits, art, science, sports, game and lots of team-building activities. This means your camper will be engaged in a new and exciting venture everyday!

Additionally on Wednesdays, we have a special event or guest entertainer scheduled. Throughout the weeks, these events may include anything from a magician visiting our facility to an inflatable water slide for water day!

On Thursdays, Sunsations campers visit Midnapore Lake for a day of swimming and summer fun. We have a life guard on staff to ensure your children are safe when in the water.

On Fridays, we visit a new field trip location each week, such as The Calgary Zoo, Telus Spark, and Granary Road.

SPECIALTY CAMPS

We offer a wide variety of Specialty Camps and are a fantastic way for your child to learn new skills this summer and make life-long friendships! From arts and science to drama and biking, our specialty camps have something for every type of interest!

From Monday to Wednesday campers in Specialty Camps will be taught by our energetic and knowledgeable Leaders about the theme they have enrolled in! Specialty Camps participate in much of the Sunsations activities such as cooking kits, art, and games, to help break-up the day and keep the campers engaged in the weeks specialty!

On Thursdays, Specialty Camps will also join Sunsations campers at Midnapore Lake. This day is spent playing on the beach and swimming in the water. We have a life guard on staff to ensure your children are safe when in the water.

On Fridays, Campers in the Specialty Camp will spend the day at Mid-Sun continuing to learn more about their skill. These campers do not attend the field trip.

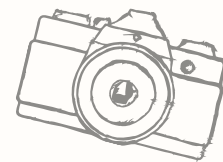

Our Specialty Camps are always some of our most popular camps and are limited in capacity. Mid-Sun is extremely lucky to have such great staff bring their skills and passions to these camps and offer them to your children.

DAY CAMP MANAGEMENT TEAM

FOSTER // SHORTY DAY CAMP COORDINATOR

My name is Foster, and I am absolutely thrilled to introduce myself as your 2025 Mid-Sun Summer Day Camp Coordinator! Summer is my favorite time of the year, and I'm so excited to spend it with all of you, creating unforgettable memories and having a ton of fun. I've proudly been a part of the Mid-Sun team for nearly a decade, and I can't wait to bring my experience, energy, and love for this community into leading our incredible summer camp program. I can't wait to catch up with familiar faces and welcome many new ones to the camp family. Whether you're returning or joining us for the first time, get ready for an exciting summer full of fun, laughter, and adventure!

SAGAR // AUTO DAY CAMP PROGRAM MANAGER

My name is Sagar, and I'm very excited to be this year's Camp Manager at Mid-Sun. I've had the pleasure of working with Mid-Sun for the past two years as the full-time Program and Community Engagement Coordinator and I've gained valuable experience in creating a positive, engaging, and safe environment for all. I introduced our Leaders in Training program in 2023 which helps our L.I.Ts gain confidence and tangible skills when volunteering with Mid-Sun. Prior to this, I've worked with day camps throughout Vancouver for many years, which allowed me to develop a deep understanding of the unique needs of both campers and staff. I'm dedicated to ensuring that every child has a memorable and enriching camp experience. When I'm not managing camp, I love fostering dogs and giving them a safe, loving home before they find their forever families. I also enjoy working on cars, which allows me to unwind and get hands-on with a fun hobby. I'm excited to meet everyone and work together to make this camp season unforgettable!
